B543 300D Polyester Shopping Tote

Tote bags are a great promotional item. This tote offers a wide area for your branding with a sharp 1-color imprint!

Features:

- Made of high-temperature-resistant 300D polyester.
- Imprinting on bottom half of bag only.
- Handles are constructed of tough woven material.
- Dual-color design with a black top and white bottom.
- Great for tradeshow, conventions and other events to carry your swag around.
