Ava RPET Lunch Bag 12-Can | B621

Nourish your body and the planet with the Ava RPET Lunch Bag 4.5 qt., a stylish and sustainable solution for packing your meals. Crafted from recycled polyethylene terephthalate (RPET) fabric, this lunch bag not only helps keep your food fresh and delicious but also makes a positive impact on the environment by repurposing discarded plastic bottles. Two-tone design with elegant textures, a zipper top with a handle, a front pocket, and an adjustable strap. Spacious for meals and snacks. 12-can capacity. Insulated and interior lining. Made of durable rPET recycled plastic bottles.
