Pour Over Drip Coffee Maker | T671

Craft coffee, simplified. The Pour Over Drip Coffee Maker delivers delicious results with its easy-to-clean, reusable filter. No more disposable filters, just perfectly brewed coffee, ready to go. Made of a food-grade stainless steel canister, nylon handle, plastic base, and silicone sealing ring. For a delicious brew, place the coffee maker securely on top of your favorite mug. Pour coffee into the filter and enjoy watching it freshly brew into your mug. Cleaning and storage are a breeze! Simply disassemble the coffee maker for easy maintenance and compact storage.
