ECO WATERPROOF DRY BAG

2.5 LITERS | H906

Keep your belongings dry! Poolside, at the beach, in the rain... it doesn't matter! It's made of RPET material (recycled plastic bottles). The interior phone sleeve keeps your mobile device front and center. Stays securely closed with a strong plastic buckle. Attach to a backpack or other items with the included plastic lobster claw attachment. Holds the equivalent of 2.5 liters. Available in white, blue, red, lime green, and black.
